The following changes apply to your Out-of-Province Emergency Travel Medical Insurance (Policy No. PSI052693013).

Exclusion #17 in the Other Exclusions (applicable to all ages) section is amended as follows:

Current:

17. Any sickness, injury or medical *condition you* suffer or contract, or any loss *you* incur in a specific country, region or area for which the Government of Canada has issued a travel advisory or formal notice, before *your departure date*, advising travellers to avoid non-essential travel or to avoid all travel to that specific country, region or area. If the travel advisory or formal notice is issued after *your departure date*, *your* coverage under this insurance in that specific country, region or area will be limited to a period of 10 days from the date the travel advisory or formal notice was issued, or to a period that is reasonably necessary for *you* to safely evacuate the country, region or area.

Effective December 1, 2021:

17. Any medical *condition you* suffer or contract, or any loss *you* incur in a specific country, region or area while a travel advisory of "Avoid non-essential travel" or "Avoid all travel" is in effect for that specific country, region or area and the travel advisory was issued by the Government of Canada before *your departure date*, even if the *trip* is undertaken for essential reasons. This exclusion only applies to any medical *condition* or any loss *you* suffer or contract, which are related, directly or indirectly, to the reason for which the travel advisory was issued.

If the travel advisory is issued after *your departure date*, *your* coverage under this insurance in that specific country, region or area will be restricted to a period of 10 days from the date the travel advisory was issued, or to a period that is necessary for *you* to safely evacuate the country, region or area, after which coverage will be limited to medical *conditions* or losses which are unrelated to the reason for which the travel advisory was issued, while the travel advisory remains in effect.
